About us

Modern Cable Corporation, with our operational headquarters in Coimbatore, Tamil Nadu (India), focuses on the business of manufacturing, wholesaling, trading, and retailing high-quality control panels and accessories for industrial electrical. Our product range comprises Cable Accessories, Charging Cables, Control Panel Accessories, Power Switches, Wiring Accessories, Cable Terminals, Limit Switches, Wire Strippers, Manual Crimping Tools, Hydraulic Crimping Tools, Manual Cable Cutters, and many more.

Vision & Mission

We strive to serve our clients with best-in-class industrial electrical products and services at competitive price points.

Premium Quality

We work with our suppliers to ensure high-quality products that give our clients value for money. Our product range offers flexibility to choose from various specifications to meet your customized needs. We can supply all kinds of industrial products at cost-effective price points. Our products are engineered for durability and allow you the flexibility of choice for use in your specific environments.

Customer Satisfaction

Our offered range will give high performance to the user. We ensure that the manufacturing of our products is from best grade materials. We focus on solving our customer's specific industrial electrification challenges and have achieved the trust of hundreds of clients, who oblige us with repeated orders. We work hard to get the desired quality of our products and successfully achieve a reputed position. The business strives to make for a positive experience through its offerings.

Our Motto

Our Company's team members are aware of our customers' challenges and work accordingly to solve their issues. Our team members are familiar with the company's processes and are self-sufficient to handle the assigned operations individually. They strive hard to obtain the maximum client satisfaction of our valuable clients through our entire offered range.

Motivation

Under the leadership of Proprietor, who has a wealth of knowledge and experience in the industrial electrical domain, we are motivated and committed to helping our clients solve some of their most pressing needs. Under his guidance, we are well on our way to gaining market share and growing our company on the anchoring of our customers' trust.

Achievements

1. Justdial Trust Seal
2. IndiaMart Trust Seal
3. Coimbatore Electric Corporation Certificate of Merit
4. Prime member of International Industrial Association
5. Prime member of ConfedITA (Coimbatore Information Technology Association)
